Bio

Ana Langeheldt is a multidisciplinary plastic artist living in Seville. A pioneer woman and a reference in urban art in Andalusia and Spain since 2001, where she became known by *Lahe178*.

Prior to his career in urban art, he has a notable career as a visual artist, which he combines in parallel while studying Fine Arts at the University of Seville, Spain. It is then worthy of numerous awards in artistic competitions since 2000. Among them, it is worth highlighting the Diploma of Honor "LI Autumn Exhibition, Royal Academy of Fine Arts of Santa Isabel de Hungary" (Seville), received in 2003, the year of its Bachelor's degree.

She has worked for brands and companies such as SEFF the Seville European Film Festival, ICAS Seville City Council, Turner Entertainment Broadcasting System, Freixenet, Endesa and Anaya, among others. At the exhibition level, he has participated in numerous projects and exhibitions both individual and collective inside and outside our country such as Montana Gallery Barcelona, SC Gallery Bilbao, Meeting of Styles France, Void Projects Miami, Caixa Forum Sevilla, B-Murals Barcelona, Rexenerafest La Coruña , and a long etc. Her works can also be found in various international publications such as Graffiti Women (Editorial GG), Montana World, Mural Art Vol. 3 (Editorial Carpe Diem, Greece), Urban Art Boom, Rolling Stones, La Muy, Boooooom, Ah ! Magazine and more.

She currently resides and works in his studio in Seville, Spain.
